With a shift of nature's gears the season suddenly takes on a much different aspect. Something about the color of the water is different and the breeze off that Bay has much more snap. This was the scene at the wharf on Saturday and even in black and white you can tell that Fall is in the harbor air. Activity on the wharf also was quick as boats came out for the season or for a cleaning preparatory to the last sweet days on the water. The sailing days of the new Fall are here and there is froth upon the harbor. DCJ photos

Mattapoisett Selectmen's Meeting

SEPTEMBER 22, 1987-by VIRGINIA ARRAL

BLUE CROSS RATES DECREASED

Because of diligent work between the Plymouth County Commissioners and Blue Cross/Blue Shield in re-evaluating the rate increase of last year, the Board of Selectmen announced last Tuesday a slight decrease in the rates effective November 1st through June 30, 1988. These changes affect town employees and retirees.

Although, initially, the statistical information showed over $1. million in claims paid by Blue Cross to the amount of premium paid, after lengthy meetings and a complete review of each town's claims, the resulting new rates showed a slight decrease. The Selectmen had been anticipating an increase.

The Delta dental rates will remain the same; however, the County Commissioners are reevaluating the HMO Programs, and the freeze on enrollment and transfer into these groups will remain in effect until this matter can be addressed.

Selectman William F. Hubbard, the only Selectman in attendance, said Town Treasurer Kathleen Briggs has allocated about $35,000 for added Blue Cross payments and this will be brought up at the Special Town

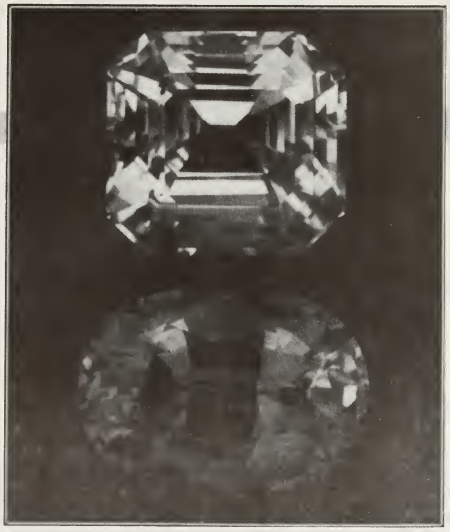
YELLOW SAPPHIRE

The name is
the same ...



but the color is
YELLOW !

This is the name given to the more or less yellow variety of Corundum. Yellow Sapphire was also formerly known as "Oriental Topaz".

Yellow Sapphire may occur in quite a wide range of colors, from pale canary yellow, gold, honey and brownish yellow. The lighter, brighter colors are the most common. Because of their transparency, veil-like or lace-like liquid inclusions and even foreign crystals are often visible inside these stones. Like all Corundum, they have considerable lustre.

Most light or canary yellow Sapphires come from Sri Lanka, and only a small proportion from Australia, which, however, supplies most of the less common honey, golden yellow or yellow brown Sapphires. Limited quantities are obtained from Burma.

Put some Sunshine in your life ...

Come in and ask to see our YELLOW SAPPHIRES.

ANOTHER FACE OF AUTUMN

All summer the harbor of the Sippicans looks like a dense forest of birches as the sailboats cram the surface to its capacity. Now, as the season turns, the forest is emphasized by the deeper blue of the early Fall sky. Here, on the still water, the whole harbor sharply etches the images of hull and white mast rising.

21 NORTH STREET, MATTAPOISETT

Meeting, tentatively scheduled for early November.

In other business, Selectmen:

RECEIVED A LETTER of resignation from Clifford D. Tripp as Gas Inspector, effective October 2, 1987. Having enjoyed serving since 1972, Mr. Tripp cited business commitments as making the decision necessary. Mr. Tripp recommended the Board combine the Plumbing and Gas Inspectors' duties, noting this is an accepted practice in the state. (E. Robert Garde serves as Plumbing Inspector.)

A NOTICE OF RESIGNATION from the Mattapoisett Housing Authority was received from James A. Santos, effective September 16, 1987.

The notice was received from Town Clerk Lois K. Ennis, who notified Selectmen according to state laws this vacancy must be filled by the Board of Selectmen and the Housing Authority acting jointly for a term to expire as of the next Town Election. Lt. Santos resigned due to other commitments.

Within 30 days of September 16 (the filing date of the resignation) a joint meeting must be held to appoint a new person by a roll call vote to fill an unexpired term.

APPROVED AN OPEN MEETING on the subject of affordable housing in Mattapoisett to be held at 7:30 p.m. October 15th at the Congregational Church Hall. The Housing Authority requests the Board of Assessors be present as this Board plays a vital part in the Housing Authority's obtaining grants for the affordable housing and in the past have denied a need existed.

The guest speaker will be John

Klimm, representative from the Massachusetts Housing Partnership (MHP) Executive Offices of Communities and Development. June Mendell, Executive Director of the Mattapoisett Housing Authority and chairperson for the sub-committee on housing for the Growth Management Committee, invites all residents of Mattapoisett to attend the open meeting.

RECEIVED A LETTER from Mrs. Karen Parker, 37 North Street, offering the donation of her parent's evergreen tree for the Christmas tree at Shipyard Park.

Executive Secretary Carol Adams informed Selectman Hubbard that Mrs. Parker's parents live out of town and the town has been in the habit of accepting offers from townspeople. Also, she said a tree has been ordered for this Christmas, and one is on hold for next year.

WERE NOTIFIED by Ann Marie Stepanaitis, the former beach director. She has requested a meeting with Selectmen and Barry Haskell, Recreation Director.

Selectman Hubbard said they will be invited to attend next week's meeting. Ms. Stepanaitis will be asked to bring in all her facts. The subject covers her failure to be reappointed as beach director this past summer.

RECEIVED A NOTICE of the agreement for the architectural services for the Police Station from Brown and Lindquist, Inc., Architects of Yarmouthport. The new station is planned for Church Street and County Road (Route 6). The firm will assist the Town in presenting the project at town meeting in an effort to secure additional funding for the project which has an estimated construction cost of $1. million.

RECEIVED A LETTER from George L. Hossfield, 17 Pine Island Road in response to the Harbormaster's plan to eliminate some of the private lockers on the wharf.

Mr. Hossfield writes, "Your concern about an office for the Harbormaster is well founded; I must agree with this need. I also appreciated the need for storage for the band and dance groups. I would, however, hope that the needs of townspeople using the facilities at the wharf can also be satisfied. I have had a locker for several years; and, although I can transport most of my gear for my boat in the car, oars and my small two-horse motor would be difficult. Would it be possible to include a line of narrow lockers on the outside of the proposed office building? They could be tall enough for a pair of oars and have sufficient room for a small motor and a couple of life cushions. The lockers would open to the outside of the building and be secured by the occupant's lock. There are many more demands

on our harbor and waterfront, true, but shouldn't we still retain some of the niceties?"

WERE NOTIFIED by Library Director Dolores J. Tansey on the updated information regarding the Southeastern Automated Libraries (SEAL). The project is aimed at improving service to all residents of participating communities through a shared database of holdings linking all libraries in an automated system.

Mrs. Tansey said, whereas Mattapoisett's book collection is about 19,000, the SEAL collection comprising 12 Greater New Bedford/Fall River libraries totals 1,250,000 books.

She estimated the total start-up costs at $20,000 and $7,500 per year in annual maintenance cost. She has spoken to the Finance Committee and the Library Trustee is urging the Town to consider acting on this changeover.

Broadway and Big Band Sound!

voted to accept the recommendations of Chief Brian Scott and accepted one full time and two part time officers. Discussion on parking problems opposite the Sippican School was held. A system must be worked out with parents who are picking up or dropping off students so that children will not be crossing to cars anywhere but at the crossing officers' location.

Abel Rodrigues questioned whether town water problems would adversely affect the proposed nursing home. Ray Pickles stated that average flow amounts taken from nursing homes of similar size showed it would not be a problem. Laundry will be sent to a regional location for processing.

Betsy Dunn questioned the water analysis done by D.C.M. Copies were given by Chairman of Selectmen John Hoagland. Mrs. Dunn thanked Selectmen and Richie of the D.P.W. for the very educational tour of the Marion water system. It was mentioned that it would be possible for the League of Women Voters or the Museum of Natural History to sponsor a program which would invite any interested townspople to take a similar tour.

Buses have been chartered in the past but interest dropped off and tours were discontinued. Mrs. Dunn

stated that one gets so used to turning on the faucet and getting water with no conception of the many glitches possible in such a system. # one well is up and running and will be producing 200 gallons per minute. C.D.M. is field testing for Sodium Silicate and will recommend the type of pump for correct metering of chemicals. Starting October 5th, a schedule of flushing will be published for an 8 week period. Flushing will greatly improve water quality after initial inconvenience because it will help eliminate sediment and sludge which has accumulated in water lines. A flow test is to be conducted in conjunction with the flushing program in the vicinity of the new nursing home on the recommendation of the Fire Engineers who are concerned with the size of the water supply to that area in case of fire. Builders may have to run a connection to a larger supply line. Fire Engineers reported that a new generator has been ordered and they have poured a new pad for it.

A discussion was held on working with Capital Improvements Committee. Chief Jenney stated the Fire Engineers have been submitting reports on required maintenance of its property for at least five years and nothing has come of it. He was

assured things will change.

Priorities will be established for all maintenance of all town properties.

Chairman Hoagland has requested that Brad Eames forward new insurance forms to Chief Jenney.

The Fire Department is developing a series of films to be shown to students at Sippican School concerning fire prevention and control.

Selectman Ted Pratt suggested that the Fire Engineers consider some system of inspecting underground tanks which have been underground for as much as thirty years and can be expected to rust out and leak at any time producing an ecological nightmare.

Ray Pickles stated that reassessment will be completed by October 15th and forms sent to the State, so tax bills may be out by November 15th.

The contract to paint Taber Hall was awarded to R.M.R. Associates of New Bedford who were present at the meeting to answer any additional questions of the Board. Although their price of $7883. was $283. over the amount voted at Town Meeting, the balance has been donated by an anonymous Selectman.

House Bill 6000 would require the Town to pay 80% of medical coverage of town employees. This would cost

Marion a 30% increase in town costs.

Ray Pickles announced that negotiations continue with D.P.W. and negotiators and that the clerks at Town House have petitioned to become members of the AFSCME Union.

Ted Hatch brought the concerns of the residents of Cranberry Way and Boxberry Way. There was considerable discussion on possibilities for solving problems of deteriorating roadway and the responsibilities of town government which accepted sub-standard construction during all building phases. Discussion was on what can be done to bring the roads up to standards so they will be accepted by the town. Selectmen have promised cooperation. Selectman Richard Lagreze stated that the results of the Private Roads Committee were completed on May 12, 1987 but have to be submitted to the Selectmen, Planning Board and Town Counsel and presented at a public hearing. Selectmen requested a copy of the drainage plans and legal descriptions for a follow-up meeting on October 6th at 8 p.m.

BOARD OF HEALTH

It was voted that the property at 782 Mill Street be condemned. Construction was done without issuance of a building permit and the building is seriously sub-standard. Sewerage is totally unacceptable.

It was announced that Marion children are in 100% compliance with immunization requirements.

The Board will order removal of

Mattapoisett Council on Aging

TRIPS

The Fall Foliage trip on October 8th will leave St. Anthony's Church Parking Lot at 8:30 a.m. The cost of the bus is $10.00 which must be paid before the day of departure. If you have not made your lunch selection call the office.

The following mini-van trips are for Mattapoisett Seniors only:

October 20th, we will be going to the Hilltop Restaurant, leaving St. Anthony's at 10 a.m. Call the office one week before the date of departure.

October 30th we will be going to the Marriott Hotel in Providence for their Halloween Party. The cost of the lunch is $8.95 which consists of soup, baked chicken, vegetables, dessert and beverage. We are using the mini-van for this trip, so we have a limit of 15 to 16 people. The time of departure is 10:45 a.m. Call the Council on Aging office between October 13th and October 20th.

CUB SCOUT REGISTRATION

All boys wishing to register for Cub Scouts may do so on Thursday, October 8th, at 7:00 P.M. at the Mattapoisett Congregational Church Hall. First graders will be registering as Tiger Cubs, second, third and fourth graders will be registered as Cub Scouts and fifth graders will be Webelos. No previous scouting experience is necessary to register for any scouting level. Registration fee is $5.00.

Adults must participate with their son in order to have scouting in Mattapoisett this year. Several den leaders and a cubmaster are badly needed. Make a commitment to help scouting this year.

If you have any questions about the scouting program contact Paul Amoruso at 758-3726.

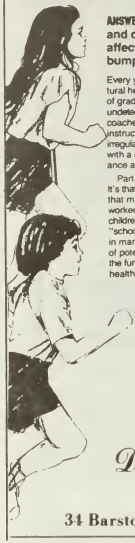
QUESTION:

WHY SHOULD CHILDREN HAVE CHIROPRACTIC SPINAL MANIPULATION?



ANSWER: Because growth and development can be affected by minor bumps, jars and falls.

Every year, thousands of structural health problems in students of grade and high school level go undetected even though teachers, coaches and physical education instructors watch for health irregularities which might interfere with a child's physical performance and learning ability.

Part of their jobs? Not really. It's that extra sense of dedication that makes these already overworked public servants give children that extra attention. The "school guardian" is responsible in many cases for the detection of potential health problems and the funneling of children to proper health authorities.

What most people don't know is that most health problems are far too complex for the teacher to note. And with a busy schedule, the educator can't be expected to have the time to screen problems that are beyond his or her scope of training, no matter how conscientious the teacher may be. The result: many children have health problems that retard their ability to learn or engage in sports effectively.

Here's what you can do:

- Parents should be urged to take more responsibility for their children's health.
- Parents and teachers should be alert to such things as changes in energy level, postural changes, moodiness, listlessness or any unusual signs that signal a problem that will impede learning. One of the observable signs is lack of interest in school activities.
- The structural balance of the child's body should be considered. The school teacher will no doubt note the child's posture, but that does not always indicate the structural integrity of the body. Comprehensive chiropractic examinations, including examinations of the spine, pelvis, neck and limbs should be recommended to avoid developmental problems.
- Incorporate posture awareness programs into your class projects. Write for suggestions and materials.

Machacam Club

TALK BY REV. PAUL MYERS

The Machacam Club will meet at the Florence Eastman Post 280, American Legion on Wednesday, October 7th, at 6:00 p.m. The evening's speaker will be the Rev. Paul B. Myers. His talk, "Those Who Have no Memorial", will cover several Mattapoisett residents whose contributions over the years have gone with little notice or acclaim.

We look forward to seeing you and hope you'll join in on our discussion. If you haven't been contacted for reservations by October 5th please call 758-9311 for reservations.

Mattapoisett Arts Lottery

APPLICATIONS - LAST CHANCE!

Applications are available for Mattapoisett's share of the Massachusetts Arts Lottery. They are available at the Selectmen's office at the Mattapoisett Town Hall.

If you have an idea for spreading or presenting some phase of the "Arts" in Mattapoisett, apply! Your town's Arts Committee will give it every consideration.

Deadline for applications is October 5th.

"I was too big to fly."

"Two years ago I couldn't get me on an airplane. I was so big, I couldn't barely squeeze down the aisle of a bus or drive a car. When I began the Diet Center program I weighed 290 pounds. I lost 125 pounds in 14 months. I feel as if a whole new world has opened up for me."

Find out how you can lose weight fast and lead a healthier, happier life. Call Diet Center today.

Plumb Library Story Hour

The pre-school story hour at the Joseph H. Plumb Memorial Library is sponsored by the Rochester Woman's Club.

We meet every Wednesday afternoon from 1:00 to 2:00. Children participate in storytelling, music, games and art projects. There are 10-15 children, ages 3, 4 and 5 in the group.

The theme for October is Fall Festival:

October 7, Making New Friends.
October 14, Festival of Colors.
October 21, Forest Friends.
October 28, Halloween in the Pumpkin Patch.

LIBRARY HOURS: Monday, 4 - 8; Wednesday, 10 - 5; Saturday, 10 - 2.

Hunter Safety Course

A Hunter Safety Course will be held at the Fin, Fur & Feather Club on 35 Crystal Spring Road, Mattapoisett. Classes will be held evenings on October 12th, 14th and 15th, and 19th, 21st and 22nd. Registration is on October 12th at 6:30 p.m. For more information call Marc Folco at 993-6430 weekdays or Bill Robbins at 763-2704 evenings. The course is open to adults and to minors ages 12 to 17 with parental permission.

100th Birthday

Story by VIRGINIA ARRAL

Smiling and with her sparkling blue eyes, Ethel DeTerra, who celebrated her 100th birthday on September 24th, sat in the sunlight of her room at the Mattapoisett Nursing Home greeting friends and well wishers.

Born in Fairhaven where she lived with her late husband, Manuel F. DeTerra, she has been at the nursing home since 1977. Loved by all the staff, she always has a sweet smile for everyone said Claire Gelineau, activities director at the Nursing Home. "She is a gem - one who is

always happy with everything you do for her", the director said.

These sentiments of Mrs. DeTerra were echoed by her daughter, Ruth (Mrs. Manuel Sylvia) of Mattapoisett. She said, "My mother is today and always has been a quiet and gentle woman and never complained. My mother never worked out of the home and always had a sweet disposition." She attributed this comment to her mother's philosophy of living a long and happy life.

A birthday party prepared by the staff and an open house in honor of Mrs. DeTerra's birthday was held on the 24th with help and decorations made by the Ladies' Auxiliary of the Fort Phoenix #2892 VFW of Fairhaven.

She received congratulatory messages from President Reagan, Governor Michael S. Dukakis, Senator Edward Kennedy, Congressman Gerry Studds, Senator William Q. MacLean, Representative John Bradford, and the Mattapoisett Board of Selectmen.

A certificate of congratulatory wishes was presented by Executive Secretary Carol Adams on behalf of

the Board of Selectmen.

Mrs. DeTerra is also the holder of the Boston Post Cane since 1982 as the oldest resident of Mattapoisett, presented by the Selectmen at that time.

Mrs. DeTerra has three children: Mrs. Manuel (Ruth) Sylvia and Mrs. Manuel (Lucille) Sylvia, both of Mattapoisett, and Arnold DeTerra of Fairhaven. She also has five grandchildren, nine great grandchildren, and five great great grandchildren. Mrs. Gelineau said Mrs. DeTerra is always so happy to see the family and beams when they visit. Daughter Lucille and granddaughter Linda both work at the nursing home so her family is always close by.

When Fr. Stanley Kolaska of St. Anthony's Church comes to give her Communion, she breaks out in a smile for him. Her smile and sparkling eyes are contagious as everyone smiles and is happy around her.

Constitution Oak Thank You

We did it right! The weather broke just in time and held off long enough for a really proper celebration of the bicentennial birthday of our U.S. Constitution. More than fifty citizens gathered at Old Rochester Regional High School on September 17th for speeches and the planting of the Constitution Oak, a white oak intended to grow and prosper well beyond the tercentennial celebration in the year 2087.

Mattapoisett really is Special! Everybody who participated, contributed or helped has added to the community. It was a celebration of community pride which made the organization fun. Your committee enjoyed it: Bim Randolph, Dan Mahoney, Manuel Rosenfield and Randall Kunz.

Ocean Rowing Regatta

THIS SATURDAY

The ninth annual Sippican Ocean Rowing Regatta will take place Saturday, October 3rd. Forty oarsmen and women will row the 6.3 statute mile race starting at Stone's Point at 9:00 a.m., rowing around Kittansett Point and finishing in Sippican Harbor in approximately 1 hour. There will be two classes: Alden Ocean Shell class and an Open class for all other types of rowing craft.

Lunch for participants and awarding of prizes will be at St. Gabriel's Parish Hall. Good viewing points are Kittansett Point and the Bluffs overlooking Sippican Outer Harbor. Rowers will bring their shells ashore at the Beverly Yacht Club.

The race is run under the auspices of the Alden Ocean Shell Association which, with its 330 members, is the largest recreational rowing group

in the United States. Richmond Viall, President of the Association, is in charge of entries.

This regatta has a history of rowing in exciting ocean conditions due to Marion's dynamic Fall weather. After rowing from Stone's Point to Sippican Harbor in squall condition, Gregg Stone named the race the "Fastnet off Ocean Rowing Races".

The Sippican Ocean Rowing Regatta has become a major recreational rowing event in New England and is considered a training race for the Head of the Charles Regatta which will take place on Sunday, October 18th.

Open Letter

Dear Friends of ORR's Bulldog Week and Homecoming:

I would like to take a few moments to say thank you for all the years of help and support you have given me as Volunteer Chairman of "I Love Bulldog Week" and "Homecoming". Your many efforts have given the Old Rochester students years of success in planning and conducting their activities for this special week.

Even your verbal support has meant so much to the students and athletes. The words we say have such an important effect on the students.

In the future, the Student Council will be conducting the activities of "Bulldog Week" and "Homecoming". The materials from previous years have been turned over to this committee. If you have any questions you should contact them.

It is my hope that you will give these people the same assistance you have given me through these many years.

For the many years of verbal and physical support, I can only say thank you in a very big way. The efforts we give our children, no matter how small, are never wasted. It is greatly appreciated.

Joao Rodrigues

Board of Appeals Decisions

by VIRGINIA ARRAL

The application of John P. Langlois, Inc. of 62 Fairhaven Road for a Special Permit to amend a previously granted special permit for construction of facilities and use of a 20,000 square foot portion of the property of the applicant for a boatyard was granted by the Board of Appeals on September 18, 1987.

The amendment concerns the chang

NEXT TO GAETANO'S. Mon. thru Sat. 9:30 to 5:00

from "Phoenix Boat Works" to "Tenters' Boat Works, Inc.", and will allow not more than 20 boats at one time, including those being stored, worked on or waiting to be worked on, or waiting to be moved; all stored single file along the south and west sides of the property. No more than six employees, including the owner on premises; hours to be 7:30 a.m. to 5 p.m., weekdays; natural screening on the south and west sides; no selling of boats and at least 20,000 square feet designated for exclusive use of the boatworks.

The Appeals Board found that Stanley E. Tenters, the principal of the proposed tenant, and his counsel made an extended presentation in support of the proposed substantive changes, including in particular, the economic need of the boatyard to offer a three-part package of 1) hauling to and from the boatyard, 2) storage and 3) repair. No one appeared at the public hearing in opposition to the proposal. Several restrictions were imposed as to the 20 by 20 foot building to be erected as an office building and the handling of paint and accessory materials.

A petition by Helen I.A. Schinazi of Providence, R.I. for a variance on her property at 49 Cover Street, Angelica Beach to retain a storage shed and a lower deck level was granted by the Board on September 18.

The shed and deck were constructed improperly in 1977 before the petitioners owned the property. The petitioners were unaware of the illegal construction until notified

Life's more fun without bifocals.

For natural vision, without lines, wear Sola VIP lenses.

A morning on the court...a night on the town. Life's best moments look better in VIP™ lenses. You get clear vision at all distances, just like with ordinary bifocals.

But there are no ugly lines or annoying "jumpiness" to spoil your fun.

With VIPs the world looks more natural— and so do you.

Stop in and try them today

by the Building Inspector when he placed a cease and desist order on it. The Appeals Board granted acceptance of the construction as the petitioners were unaware of the illegality and it was not a detriment to the neighbors and would be a hardship on the owner to move the shed from its position. The cease and desist order was lifted.

Also granted was a special permit to Scott N. and Sarah E. Ellms, 5 Brandt Island Road to allow construction of a 14 foot by 16 foot wood deck with a wood railing around three open sides of the addition to the house. A building permit must also be obtained before any construction. No permission is granted to install sanitary facilities, plumbing or wiring as they must be approved and inspected by the appropriate departments.

Project Grow

PROJECT BUD BLOSSOMS INTO PROJECT GROW

During the 1986-1987 school year, Project BUD, funded through a Chapter 188 Early Childhood Discretionary grant, investigated the area's early childhood programs and services and determined needs of young children and their families. The Early Childhood Advisory Council's response to this study was a grant proposal titled Project GROW. In July, the Massachusetts Department of Education announced approval and funding of the new grant for the 1987-1988 school year. This grant will service young children and their families in

NEW TO MARKET

Near the stone bridge with lovely views of the Mattapoisett River, we offer this farm house with detached garage and workshop. There are 7 rooms, 2 or 3 bedrooms, 1 1/2 baths, laundry area, kitchen, living room, dining room, den or at-home office. Country setting close to village. Offered exclusively at $149,500.

MATTAPOISETT
GREEK REVIVAL CIRCA 1841

Originally known as Ichabod Nye farm, this 8 room home has a park-like setting on 3/4 acre right in the heart of the Village. Features include living room, dining room, stunning great room (30 x 20) with fieldstone fireplace and warm wood finish, kitchen, laundry room with access to shed/workshop, 4 bedrooms and 2 baths. Wonderful family home, within walking distance to everything! Offered exclusively at $279,900.

Marion and Rochester as well as the District's junior high students.

Project BUD will provide a variety of early childhood education programs and support services for parents, professionals, and students in grades 5-8. Additionally, a model early childhood program will be established serving fifteen Marion/Rochester preschoolers. It will be staffed by a certified teacher of young children with special needs. The integrated pre-school classroom will offer all children, including those with special needs, an exciting, developmentally appropriate pre-school experience. It will be housed at the Sippican School in Marion. Transportation will be provided to students. Beginning in January Project GROW will offer screening for three and four year olds from Marion, Mattapoisett, and Rochester on an on-going basis.

A meeting of the joint Early Childhood Advisory Councils, which oversees the work of Project GROW, will be held on Tuesday, September 29th, at 3:30 p.m. at the Sippican School. One of the goals of Project GROW is to expand the membership of the Advisory Council to include more parents and interested community members.

Jane Taylor, Early Childhood Coordinator, may be reached through the Sippican School (748-0100) to answer any questions regarding Project GROW.

Sippican Playground on Bay 8

2nd ANNIVERSARY MEMORIES

In celebration of the second year anniversary of the building of Marion's playground, the documentary "Playground at Sippican School" will air Monday, October 5th, at 6:00 p.m., and Tuesday, October 6th, at 7:30 p.m. on American Cablesystems' local channel Bay 8.

Football Jamboree

ORR football fans were treated to a Jamboree victory by the varsity football team who hammered out a convincing 20-6 victory over Bourne in two ten minute periods of play on Saturday, September 12th. They also saw Wareham defeat Apponequet 6-0 in the second half game.

The victory was only one of the treats ORR fans experienced. For the first time in several years the scoreboard worked perfectly thanks to an electrical repair job donated by Mike Joyce of the Gridiron Club. They also saw the team clad in their new game jerseys. The boys earned part of the money for the new jerseys which are part of a package of numbered sweats shorts and T-shirts by selling hats last Spring. The remainder of the money was paid by the boys themselves, so thank you to the coaching staff and the

boys for a fine effort and beginning.

Thanks should also be given to the Gridiron Club for their support during the training camp the week before school started. They organized donations of food and money and purchased food themselves. Members of the club prepared and served dinners to the team and staff all weeklong at no cost to the school system.

The ORR community support for their Bulldog team is greatly appreciated by all.

Thank You

The Gridiron Club would like to take this opportunity to thank the generous businesses who made donations of food and money to feed the ORR football team during their training camp.

Our thanks and appreciation go to: A&P Supermarket, Bobola Construction, Cervelli Farm, D'Angelo's Sandwich Shop, Dunkin' Donuts, Friendly's Ice Cream, Lanzoni's Farm Stand, Lloyd's Market, Normand's Meat Market, Peters' Orchards, and Shaw's Supermarket.

In addition, a special thanks to the high school administration and especially to Bob Sylvia and

SUNDAY BIRD WALK

Fall is a time for many changes. For Birdwatchers it is an exciting time to view the fall migration of birds from their summering grounds up north to their wintering grounds. Passing through our area are many migrating waterfowl including some birds of special concern. Join us for a Sunday Bird walk on October 4 from 9 to 11 a.m. as we explore the Allen's Pond Estuary. Participants will have a chance to view many migratory waterbirds while learning about the habitat relationships of the special concern species which occupy the Allen's Pond Estuary. Participants should dress for the season and bring along a pair of binoculars.

For more information or to register for the program please call the Lloyd Center at 990-0505. There is no charge for our weekly walk program.

Upcoming walks include Where the

Celebrate Coastweek

Celebrate Coastweek with the Lloyd Center's Whale Week. What do these terms, spy hopping, breaching and lob-tailing mean? Join the Lloyd Center on our Fall Whale Watch and find out.

The Fall Whale Watch culminates a week of whale events at the Lloyd Center. Our week begins with the Gala Open House of our new exhibit, Marine Mammals of New England Waters on Sunday, October 4th, from 9 a.m. to 5 p.m. The exhibit features striking photographs of whales, display skeletons of marine mammals, original artwork, hands-on exhibits, and gift items for sale. The exhibit is free to the public.

Join the Lloyd Center and Dr. Charles Charles 'Stormy" May, Director of the Center for Coastal Studies in Provincetown on Tuesday, October 6th, at 7:30.

Dr. Mayo will describe his research work and the life history of the right whale. With only about 250 northern right whales left on earth, serious questions concerning their survival remain unanswered. The Lloyd Center's Fall Lecture Series is On the Brink: Threatened and Endangered Species of Massachusetts. The lectures focus on problems caused by increased development, habitat loss, the effects of pesticides and the long-term results of the whaling industry. Join us on Tuesday, October 6th, for this inside look at the northern right whale. Lecture begins at 7:30 at Dartmouth High School and is $4. for members and $5. for non-members.

Join the Lloyd Center on October 10th for a Whale Watch out of Provincetown. Bob Caron, Staff Marine Mammalogist, will discuss the whales that inhabit the waters off of Provincetown and discuss the problems caused by man in the past and what is still occurring to cause the ever decreasing population of whales throughout the world. Participants will meet at the dock at 12:45 for this educational experience. We will depart from Provincetown docks

Hours: Wednesday through Friday 10 to 5, Saturday 10 to 3. Closed Sun., Mon., Tues.

Particular attention will be given to the famous Siege of Leiden, when Spanish troops cut off nearly all food and supplies to the city from October 31, 1573 to October 3, 1574. For the past 400 years the October 3 anniversary of the lifting of the terrible siege has been celebrated in Leiden with thanksgiving, feasting and fairs. During their years of exile in Leiden, the Pilgrims witnessed this annual Dutch celebration, which bears a resemblance to early English celebrations in the New World.

Knights of Columbus

PLAN CHARITY DRIVE

Grand Knight Stephen M. Holmes of Damien Council in Mattapoisett has announced that plans are "well underway" in preparation for this year's Knights of Columbus Annual Charity Drive to be held on Columbus Day weekend.

"We're looking forward to a very successful year," said Grand Knight Holmes. "Our members will be out in force throughout the weekend standing in front of local stores and shopping districts soliciting the kind contributions of passers-

by." He added that in the past, "residents of this area have been very generous and that the Knights of Columbus have been extremely grateful."

Members of the Knights of Columbus who will be asking for contributions that weekend will be easily identifiable by the red and yellow aprons they will be wearing with the words "HELP RETARDED CHILDREN" emblazoned on both the front and back.

"Our theme this year is PEOPLE HELPING PEOPLE", continued Grand Knight Holmes. "We in the K of C have a simple philosophy that every child, regardless of race or religion, deserves to live as normal a life as possible. That's why we strive to help the handicapped, retarded and blind get the most they can from life."

Over the years the K of C Charity Committee has awarded $300,000 to the Cardinal Cushing School for retarded and handicapped youngsters in Hanover, $400,000 to the Mercy Center for Developmental Disabilities in Worcester, $175,000 to the

Mary Lee Trautman
Felicia Garry
Marion Tucy
Mary Bradshaw

Science and Engineering Building (Group II), Southeastern Massachusetts University. The lecture is open to the public at no charge.

At 7 p.m. at the Southworth Library in Dartmouth, Kammen will speak on "Eyes on Icons: The Constitution and American Culture". The lecture, also free, is co-sponsored by the Dartmouth public libraries, and the New Bedford/Fall River Area League of Women Voters. A slide show of objects that reflect attitudes toward the Constitution will accompany the lecture.

At the library Kammen will autograph copies of his 1986 books, "The Origins of the American Constitution: A Documentary History", and "A Machine That Would Go of Itself: The Constitution in American Culture".

The latter work received the Francis Parkman Prize and was chosen one of the ten best non-fiction books of 1986 by the New York Times Book Review. Kammen received the Pulitzer Prize for History in 1976 for one of his earlier books, "People of Paradox: An Inquiry Concerning the Origins of American Civilization".

Kammen's lectures are among a series of programs planned by SMU's Committee on the Bicentennial of the Constitution. The group, comprising seven faculty members and staffers, was formed in recognition of this year's 200th anniversary of the U.S. Constitution.

LEGAL ADVERTISEMENTS

TOWN OF ROCHESTER, MASSACHUSETTS
PUBLIC NOTICE

Notice is hereby given that the Board of Selectmen will accept sealed bids for the following parcel of land located in the Town of Rochester and execute a deed in such form and upon such terms as it deems advisable until 7:30 P.M. on Monday, October 5, 1987. A certified check must accompany sealed bids in the equivalent amount of 10% of said bid, made out to the Town of Rochester. It is also noted that the Town of Rochester will not assume any legal fees incurred from the sale of such parcel, said legal fees to remain with the awarded bidder.

The Selectmen reserve the right to reject any and all bids, and to award said bid to whomever they feel it is deemed to be in the best interest of the Town of Rochester.

ORR Advisory Committee

The Old Rochester Regional Advisory Committee of the Old Rochester Regional School District will meet on Thursday, October 1st, at 7:30 p.m. in the Dr. Joseph C. Kunces Memorial Library, Old Rochester Regional High School.

Lecture: Andrew Wyeth

Frederick P. Walkey, art critic and former museum director, will lecture on "The Myth and Mystique of Andrew Wyeth" at the Buttonwood Community Branch Library on Thursday, October 8th, at 7:30 p.m. This lecture is free to the public. Seating will be on a first-come, first-serve basis. The Buttonwood Library, 745 Rockdale Avenue, New Bedford is handicapped-accessible.

Mr. Walkey's discussion of Andrew Wyeth's controversial career will be of particular interest, since two major Wyeth exhibitions will tour the country over the next two years. The Boston Museum of Fine Arts will present the provocative "Helga" series in November and December.

Frederick Walkey attended Duke University and is a graduate of

TOWN OF MATTAPOISETT, MASSACHUSETTS
NOTICE OF PUBLIC HEARINGS

Notice is hereby given that the Mattapoisett Board of Appeals will hold Public Hearings on the following petition and applications:

1. Petition of Frank C. & Patricia K. Sinton, P.O. Box 714, Concord, MA.01742 re property at 3 Avenue A. Petitioners are seeking a Variance under Section VI.E of the Zoning By-Laws to meet set-back requirements of existing shed. Said property is further described as being Lot 143 on Plot 2A of the Mattapoisett Assessors' records. Hearing will be held in the Town Hall Conference Room at 7:00 P.M. on Thursday, October 15, 1987.

2. Application of Mary Hardy, 17 Crystal Spring Road, Mattapoisett, MA.02739 re property at 17 Crystal Spring Road. Applicant is seeking a Special Permit under Section III.A.1 of the Zoning By-Laws to build screened-in porch with deck 6' x 18'. Said property is further described as being Lot 38 on Plot 18 of the Mattapoisett Assessors' records. Hearing will be held in the Town Hall Conference Room at 7:20 P.M. on Thursday, October 15, 1987.

3. Application of Katherine H. Dunphy, 90 Governor Stoughton Lane, Milton, MA. 02186 re propery at 3 Mattakiset Road. Applicant is seeking a Special Permit under Section III.A.1 of the Zoning By-Laws for alteration of existing non-conforming single family dwelling. Said property is further described as being Lot 120 on Plot 15A of the Mattapoisett Assessors' records. Hearing will be held in the Town Hall Conference Room at 7:45 P.M. on Thursday, October 15, 1987.

4. Application of Alan W. & Cynthia M. Medeiros, 127 Brandt Island Road, Mattapoisett, MA.02739 re property at Jowick Street. Applicants are seeking a Special Permit under Section VI.B.2 of the Zoning By-Laws to allow a single family house with accessory building to be built on lot. Said property is further described as being Lot 74 on Plot 14 of the Mattapoisett Assessors' records. Hearing will be held in the Town Hall Conference Room at 8:05 P.M. on Thursday, October 15, 1987.

Complete applications, petitions or appeals and plans as filed are available for inspection in the office of the Town Clerk during normal office hours.

Theatre One Productions

CHILDREN'S THEATER STAGES
"THE LEGEND OF SLEEPY HOLLOW"

"The Legend of Sleepy Hollow", based on the classic tale of Washington Irving and directed by Peg Holzemer, will be staged on October 10th, 11th at 1:30 p.m. at the Grange Hall, Route 105, North Main Street in Middleboro (947-1880); $3. for children and $4. for adults.

Beyond the classical value of this well-known story is intermingled a gay, entertaining quality, the settings of a harvest festival, a wedding, a cast of hearty folk, and some interesting effects.

Come join the fun at Theatre One.

REGISTRATION FOR CHILDREN'S THEATRE

October 14th will be the date of TOP's Children's Theatre Workshop registration for the world-famous story, "Tom Sawyer", at 4 p.m. at the Grange Hall, Route 105, North Main Street in Middleboro.

The workshop is an on-going course for children ages 7 through 15. During a five-week period the child studies with a professional director and learns the basic techniques of acting, creative movement, vocal projection, concentration and mime.

The Children's Theatre Workshops opens the door to many exciting and

YMCA

YOUTH SWIM TEAM

The Greater New Bedford YMCA is kicking off its new competitive season this week. The YMCA swim team is for girls and boys ages 6 and over, designed to develop quality swimmers with a special emphasis on teamwork, fun and doing your best.

As a special way to introduce children to the YMCA competitive program, the YMCA is offering any interested children to try out a week of swim practices during this week of September 28th for only $10. per child. If the child joins the team the money will be credited to your swim team fees, and if the child chooses not to join, the $10.00 will be refunded in full.

"We believe this is an exciting way to expose interested young swimmers to the YMCA's different type of swim team", explained Mark Gresens, YMCA Senior Program Director. "In the YMCA program, competition and winning are put into perspective. Everyone swims, every-

one has fun."

Practices for the team will be held Monday through Thursday and Saturday. Each swimmer should attend a minimum of three practices weekly. Meets are scheduled with Kent County, Cranston, Westerly, Smithfield, Newport, Fall River, Newmann, East Side, and Hockomock YMCAs plus the Senecy Cluster and New England Championship meets.

The year's returned head coach is Catherine Alcaidinho, who has been involved in competitive swimming for 9 years as both coach and swimmer. She recently received her YMCA coaching certification from YMCA Aquatic School at Springfield College.

For more information contact Sarah Hassett or Catherine Alcaidinho at the Greater New Bedford YMCA, 25 South Water Street, New Bedford, MA.02740; telephone 997-0734.

al Vocational Technical High School participated in the "Lawyer in the Classroom" program sponsored by the Massachusetts Bar Association.

The goal of the program was to have teachers and attorneys working together to provide citizenship education specifically related to the Constitution for students.

Thanks to the cooperation of students, teachers, and Attorney Helen Sidman the program was a great success.

FLEA MARKET

The third annual Old Colony Regional High School Flea Market is scheduled for Saturday, October 3rd, from 10:00 a.m. to 4:00 p.m., rain or shine.

Craft people and dealers still interested in participating are urged to contact Rita Bretto, Beverly Pusateri or David Ferreira at the school by calling 763-8011. This year's Flea Market is scheduled the same day as Old Colony's Homecoming Football Game which ensures a large number of visitors to the event.

The Flea Market is being jointly sponsored by the Senior Class and the National Honor Society.

Wednesday 10 to 4; Saturday 10 to 1

Colony Regional Vocational Technical High School will conduct its Second Annual Freshman Parents' Night on Tuesday, October 6th, at 6:30 p.m.

According to Paula Simmons of Old Colony's Guidance Department, the program will provide parents with an overview of the educational philosophy and policies of the school. In addition, parents will go through their child's entire exploratory program.

The exploratory program at Old Colony allows every freshman to be introduced to four of the school's twelve vocational programs. At the end of the eight week exploratory program, the students are better prepared to make a permanent career selection.

At the Parents' Night instructors will be available to present their related and shop programs and to answer questions pertaining to occupational opportunities available to graduates of their program. Parents interested in further information are urged to contact the Guidance Office by calling 763-8011, Ext. 26.

MICROCOMPUTER LAB

The Data Processing Department at Old Colony Regional Vocational Technical High School recently completed the installation of a new microcomputer laboratory. The laboratory

contains seventeen Epson Equity I+ microcomputers and peripheral equipment.

Mrs. Dona Strode, the school's Data Processing Related Instructor, is responsible for the operation of the microcomputer lab. Old Colony's Data Processing students will be learning keyboarding, word processing, spreadsheets, and database software on the new equipment.

According to David J. Ferreira, Assistant Superintendent-Director, the computers are IBM compatible and will allow the students to learn microcomputer application software in addition to programming which is taught on the school's two mainframe computers. The Equity computers are capable of supporting software used in local businesses and industry.

The new computer equipment should broaden the scope of training and improve the employment opportunities for the school's data processing graduates.

CAD/CAM INSTRUCTION

As a result of a Chapter 2 Grant CAD/CAM instruction has been expanded in the Machine Shop at Old Colony Regional Vocational Technical High School. The Grant Award has allowed the school to purchase an additional microprocessor for student instruction.

CAD (computer-aided-drafting) is used by the students to design parts which they will manufacture in the shop. According to George Racine,

one of the Machine Department's instructors, the students design sine bars, vices, and various other shop projects.

CAM (computer-aided-machinery) aids the student in programming Computerized Numerical Control equipment in the shop. Mr. Racine stated the computer assists the student in programming arcs and fillets. "The program developed on the CAM system would then be converted for use on the CNC milling machine."

The CAD/CAM Program is important in preparing the students for employment after graduation. The entire program has been funded through Grants received the past two years without cost to the school.

p.m. in the cafetorium of the Henry T. Wing Elementary School, Route 130, Sandwich. Dr. Deborah S. Schildkraut will present a slide program, "Taking the 'End' Out of Endangered". The animal psychologist and Director of Research at the Stone Zoo will cover some of the world's most endangered animals and describe the ways zoos are protecting and propagating dwindling species. Admission is free and all are invited.

Prickly Porky's Open House follows at the Thornton W. Burgess Museum in Sandwich Village on Saturday, October 10th, from 10 a.m. to 4 p.m., and on Sunday, October 11th, from 1 to 4 p.m. Saturday's activities will include a chance to make your own porcupine at the nature craft table. Also on Saturday at 1:30 p.m. youngsters will enjoy a special "Prickly Porky Storytime", which will take place outside on the museum grounds along the shores of lovely Shawme Pond. Refreshments will be served throughout the weekend.

This beautifully engraved and detailed cup plate will be available in amethyst, teal, bayberry green, cobalt and clear crystal. The price of the plate is $6.00 plus tax.

Green Briar Workshops

JAM KITCHEN WORKSHOPS

Join in the fun and learn to make jam the Green Briar way! During the coming months the Green Briar Jam Kitchen in East Sandwich offers a number of workshops in the large, cheerful, old-fashioned kitchen. Openings remain in the following October sessions: October 3, apple chutney; October 14, cranberry conserve; October 28, cranberry chutney; October 31, cranberry chutney. Wednesday evening classes meet from 7 to 9 p.m. and Saturday morning classes from 9:30 to 11:30 a.m.

All materials and ingredients are provided, and participants take home what they make plus a recipe booklet. The cost for each session is $15. for members of the Thornton W. Burgess Society, $20. for non-members. Call 888-6870 now for registration information. Additional workshops are scheduled during November and December.

East Sandwich offers two herbal centerpiece workshops on Saturday, October 24th. Join either the 9:30 to 11:30 a.m. session or the 1:30 to 3:30 p.m. session. Phyllis Braun, proprietor of Farmer Braun's Herb Farm, leads the workshop to create a table centerpicce of dried flowers and herbs. Using a base of artemisia, strawflowers, statice and fragrant herbs, participants will create an 8" tall, 13" long centerpiece in a basket. All materials and instruction are provided. Choice of colors are cranberry and pink; jade and lavender, or blue and rust.

The cost for the workshop is $28.
